

REMARKS

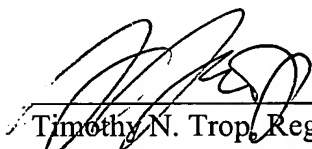

Claim 1 has been amended to call for using an L-shaped detector. This is consistent with the reasons for allowability and, therefore, claim 1 should now be in condition for allowance.

Claim 12 has been amended to include the subject matter of claims 16 and 17, indicated to be allowable and, therefore, should also be in condition for allowance.

In view of these remarks, the application should now be in condition for allowance.

Respectfully submitted,

Date: January 4, 2006
